Sir:

TECH CENTER 1600/2000

OFFICE OF PETITIONS

Enclosed herewith are the following documents to correct the inventorship on the above entitled patent application serial no. 09/441,654:

1. A Petition to correct inventorship under 37 CFR 1.48 signed by the co-inventors.
2. A Declaration under 37 CFR 1.63 signed and dated by both inventors and making reference to the patent application serial no. 09/441,654 filed November 12, 1999 in the name (at that time) of Sham-Yuen Chan.
3. A written consent to the correction of inventorship signed on behalf of the assignee, Bayer Corporation.

4. An Assignment of rights to the above-identified patent application signed on behalf of the inventor being added, Teresa Mo-fun Wong, along with a Recordation Form Cover Sheet requesting that the USPTO record the Assignment and authorizing the payment for the recordation under deposit account no. 03-4000.
5. A Deposit Account Charge Authorization Form authorizing payment for the filing of the Correction of Inventorship.

If the Examiner responsible for this Correction of Inventorship has any questions regarding it, that Examiner is invited to telephone the undersigned attorney at anytime.

Respectfully submitted,

Dated: _____

July 28, 2000
